

Communicating Your Way Through a Bay Tour

This discussion will cover the use of common communications devices such as audio panels, comm radios and hand held radios. It will also cover the proper phraseology to use in different airspaces and how to communicate with Flight Watch and Flight Service. Finally it will cover the use of radios while flying the Bay Tour.

Directions: On Hwy 680 exit onto Capital Expressway. Travel SE on Capital. At Cunningham Ave (3rd light) turn Right. Trade Winds Aviation is ahead on the Right, the Terminal Building to the Left.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area
